Clarkston SCAMP Home Tour 34 ~ June 4 & 5, 2016

SCAMP Information

Clarkston SCAMP ...

- ... swimming, hiking, singing ... smiles!
- ... camping, fishing, bonfires ... hugs!!
- ... talent show, field day, carnival ... fun!!!
- ... field trips, puppet shows, dances ... excitement!!!!
- ... sharing, caring, listening, following directions ... success!!!!

All of this – and more – a five-week summer day camp for children & young adults with special needs.

The history of SCAMP began in 1976 when a group of concerned individuals came together to discuss the needs of multiply impaired children and young adults in our community. It was a known fact that many challenged students in our area spent their summer sitting inside watching other children have fun. There was nothing available for them that appropriately responded to their needs.

The idea to start a five-week summer day camp in our community that could provide recreational activities and maintenance academic work was born. With just a few dollars of seed money and lots of determination, a small group of people raised the money to fund our first summer SCAMP program. Seventy-five students attended, and we knew it was a winning idea.

Since the early days we have grown not only in numbers (over 200 students each summer) but also in our ability to serve a larger population of students. Traditionally, approximately 90 percent of our students have one or more disabilities (autism spectrum disorder, cognitive and/or emotional impairment, learning disability, speech and language delay, or physical disability). The remaining 10 percent are identified by school personnel as students “at risk” and in need of a positive summer experience. Students attend our program from school districts in the northern end of Oakland County and the southern end of Genesee County.

There is a wonderful feeling in the air at SCAMP. It is an atmosphere filled with joy and caring – and friendship. Daily activities include music, art, motor skill activities, games, field trips and special on-site visits by groups for educational and entertainment purposes. We use the facilities at Independence Oaks County Park, which enables us to offer hiking, swimming, boating and fishing. For five weeks our SCAMPers are challenged to grow in abilities and self-esteem and “to be the best that they can be”.

Clarkston SCAMP 2016 will take place June 27 – August 3. Once again, our SCAMPers will enjoy five weeks of fun and excitement!
