North-End Market Candle Bar is dedicated to providing you with a personalized experience in creating your very own signature scent. Vessels range from \$28.99 and up, depending on size and style. Each vessel's price will include wix, wax, and class.

Know before you go:

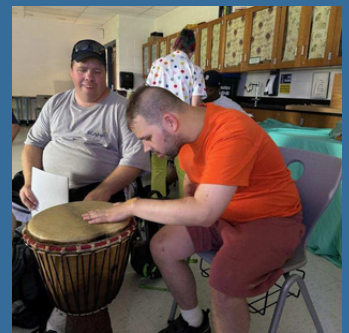

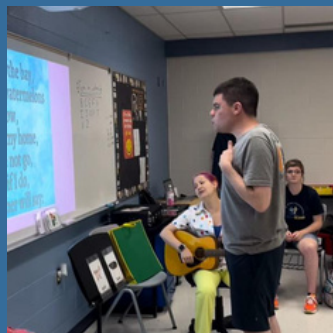

Creating your own hand-poured candle at North-End Market Candle Bar will take around 30 to 45 minutes starting from your start time until you finish the pouring process.

Plan for a minimum of 2-1/2 hours for the candles to set and be ready for pickup. Given the timing of the event, you may collect your creations the following business day after 1 pm or within two weeks to prevent any delays. Unclaimed candles will be donated after the specified time without any refund or credit provided.
